Farewell service: \$1,500.00

Funeral ceremony at a location of your choice.

A funeral ceremony is a service commemorating the deceased pet. This includes viewing or transportation to a graveside service.

This farewell service offers a means of expressing thoughts and feelings after the death of a beloved pet. This service provides an opportunity to say good-bye as well as a support system for the family.

Funeral ceremonies include services provided by a funeral director or staff, which may include funeral planning, transportation, shelter, refrigeration, and coordinating with a cemetery, crematory, or other third parties.

Viewing: \$1,900.00

Choice your location for viewing, service, staff, and equipment.

Viewing is an opportunity to pay respects to the deceased pet and offer condolences to the family. The casket may be opened or closed at this time. It is an opportunity to share memories and celebrate the life lived. It is generally casual, and intimate.

The funeral service is a time for family and friends to gather and honor the life of the pet. The funeral offers an atmosphere where mourning and grief can be expressed.

Immediate burial with NO service: \$700.00 (with casket purchased separately)

The historic Daily House, located on our premises in Camarillo, has outdoor and indoor space where you can design your service.
